## **Grand Provence Heritage Wine Estate**

A visit to Grande Provence is like a trip to France; they offer a very niche tasting that aims to dispel preconceived ideas about what wine you're meant to drink with what foods. They also offer a wine blending experience, where groups receive three wine varieties they can blend according to preference.

## **Haute Cabriere**

Wine tasting in Franschhoek wouldn't be complete without a visit to Haute Cabrière. They offer tastings of their Pierre Jourdan MCC collection, as well as their comprehensive Haute Cabrière and Haute wine collections in a beautiful stone-encased tasting room. Their cellar tours are insightful and their charismatic winemaker, Takuan, is always happy to have a tête-à-tête.
